COMMISSION

COMMISSION DECISION

of 15 April 1982

on requests for reimbursement under Council Regulation (EEC) No 1820/80 for the stimulation of agricultural development in the less-favoured areas of the west of Ireland

(Only the English text is authentic)

(82/323/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1820/80 of 24 June 1980 for the stimulation of agricultural development in the less-favoured areas of the west of Ireland [1], and in particular Article 24 (4) thereof,

Whereas requests for reimbursement to be submitted by Ireland to the Guidance Section of the European Agricultural Guidance and Guarantee Fund (EAGGF), must include certain information making it possible to verify that the expenditure complies with the provisions of Regulation (EEC) No 1820/80 and the Irish programme approved under Article 3 (2) of that Regulation;

Whereas, if verification is to be effective, Ireland must, for a period of three years from payment of the last reimbursement, keep the supporting documents at the Commission's disposal;

Whereas the measures provided for in this Decision are in accordance with the opinion of the EAGGF Committee,

HAS ADOPTED THIS DECISION:

Article 1

1. Applications for reimbursement drawn up in accordance with Article 24 of Regulation (EEC) No 1820/80 must be submitted as set out in the tables in Annexes 1 to 9 hereto.

2. Ireland shall communicate to the Commission, at the same time as the first request for reimbursement, the texts of national implementing and control provisions, administrative directives, forms or any other documents concerning the administrative action to implement the measures concerned.

For implementation of the measures, due consideration shall be given to the specific requirements for documentation set out in Annex 10.

Article 2

Ireland shall, for a period of three years from payment of the last reimbursement, hold at the Commission's disposal all the supporting documents in its possession on the basis of which the aid provided for in Regulation (EEC) No 1820/80 was granted, or certified copies thereof, as well as complete case files for the beneficiaries.

Article 3

This Decision is addressed to Ireland.

Done at Brussels, 15 April 1982.

For the Commission

ANNEX 10

1. DOCUMENTATION

For the following measures under Regulation (EEC) No 1820/80:

(a) **Provision of electricity supplies**

(b) **Provision of drinking-water supplies**
Public water schemes

(c) **Construction and improvement of local roads and farm roads**

(d) **Afforestation**

the supporting documents and individual files, etc. necessary for the implementation of the measures and for the execution of the various operations involved shall include the specific documentation listed below:

— an overall plan showing the geographical area and extent of the various measures foreseen by the programme,

— successive annual programmes covering the works to be carried out in the particular year for which reimbursement is to be claimed with details as to the number of beneficiaries and expenditure involved.

The annual programme to be supported by detailed sub-map(s) to show the geographic area and extent of the works envisaged,

— bills, certificates and other supporting documents related to the programme shall be kept separately and shall to the extent possible be established to correspond with the annual programmes and the relevant annual reimbursement claim.

This particular documentation is not to be automatically sent to the Commission. It shall be forwarded to the Commission on request or, when appropriate, made available at the time of audits on-the-spot.

2. ACCOUNTING

For the measures mentioned above, the accounting system shall ensure the availability of sub-accounts to the extent necessary to identify the specific expenditure incurred in respect of EAGGF supported projects, to separate it from other expenditure and to relate it to the relevant supporting documents.

Similar sub-accounts should be established for other measures also if necessary to obtain the requested accounting transparency.

3. INDIVIDUAL INFORMATION SHEETS

For cases in which aid is granted for the orientation of agricultural production (Title IV of Regulation (EEC) No 1820/80) an individual information sheet with details as follows shall be submitted to the Commission on request.
