(82/430/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed [1], and in particular Article 5 thereof,

Whereas on 8 February 1982 the Italian Government forwarded a programme relating to processing and marketing of feed grain in the Veneto Province;

Whereas this programme concerns the creation of collective facilities of drying plants and storage of maize with a view to overcoming the existing bottleneck in marketing; whereas it therefore constitutes a programme within the meaning of Article 2 of Regulation (EEC) No 355/77;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,

HAS ADOPTED THIS DECISION:
