THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas applications for advances under the measure for the development of agriculture must include certain information making it possible to verify that the expenditure complies with Directive 81/527/EEC and with the programme submitted by the French Republic and approved under Article 2 (2) of that Directive;

Whereas, to permit proper control, the French Republic must hold the supporting documents at the Commission's disposal for a period of three years after payment of the final reimbursement for a project;

Whereas, in order for the Commission to be able to make advance payments, the necessary detailed rules and procedures should be laid down;

Whereas the measures provided for in this Decision are in accordance with the opinion of the EAGGF Committee,

Article 1

Applications for advance payments in respect of expenditure eligible for aid from the EAGGF, Guidance Section, as referred to in Article 8 (3) of Directive 81/527/EEC, must be submitted in accordance with the tables set out in Annexes 1 to 6.

1. Advance payments from the EAGGF, Guidance Section, may amount to a maximum of 80 % of the Community contribution to expenditure planned for the year concerned.

2. Advance payments not spent during the year for which they were made shall be deducted from the advance to be paid for the following year.

Article 3

1. By the end of each year for which it has received advances, the French Republic shall submit a report on the progress of operations, as shown in the tables in Annex 7.

2. Advances for the following year may not be paid before the report referred to in paragraph 1 has been sent to the Commission.
