COUNCIL DECISION

of 3 December 1982

amending Decision 82/270/EEC on the 1982 cereals food-aid programme

(82/836/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, in accordance with Decisions 82/77/EEC [1] and 81/407/EEC [2], the European Economic Community has deposited a declaration of provisional application of the Food Aid Convention 1980 and of the 1981 Protocol for the first extension of the Convention to 30 June 1983;

Whereas certain developing countries and specialized agencies have requested food aid in the form of cereals from the Community; whereas their situation and that of the Community warrant a total allocation of one million tonnes of Community aid;

Whereas, by Decision 82/270/EEC [3], the Council adopted a programme of cereals aid amounting to 927 663 tonnes; whereas this quantity should be increased to one million tonnes by way of an appropriate amendment to that Decision,

HAS DECIDED AS FOLLOWS:

Sole Article

Decision 82/270/EEC is hereby amended as follows:

1. Article 1 shall be replaced by the following:

   An amount of one million tonnes of cereals shall be made available to developing countries and specialized agencies under the 1982 food-aid programme, by way of Community action as part of the commitment by the Community and its Member States under the Food Aid Convention 1980.'

2. The Annex shall be replaced by the Annex to this Decision.

Done at Brussels, 3 December 1982.

For the Council
