## COMMISSION DECISION

**of 15 July 1983**

**concerning applications for reimbursement and advance payments for the measures covered by the integrated development programme for the Western Isles of Scotland (Outer Hebrides)**

**(Only the English text is authentic)**

(83/412/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1939/81 of 30 June 1981 on an integrated development programme for the Western Isles of Scotland (Outer Hebrides) (1), and in particular Article 9 (4) thereof,

Whereas applications for reimbursement and for advance payments to be submitted by the United Kingdom to the European Agricultural Guidance and Guarantee Fund, Guidance Section, must include certain information making it possible to verify that the expenditure complies with Regulation (EEC) No 1939/81 and with the agricultural measures forming part of the integrated development programme for the Western Isles of Scotland (Outer Hebrides) and approved in accordance with Article 5 (3) of that Regulation;

Whereas to permit proper control, the United Kingdom must keep the supporting documents on file at the Commission's disposal for a period of three years after payment of the final reimbursement;

Whereas, to enable the Commission to make advance payments, the necessary detailed rules and procedures should be laid down;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Committee of the European Agricultural Guidance and Guarantee Fund,

HAS ADOPTED THIS DECISION:

*Article 1*

1. The applications for reimbursement referred to in Article 9 (1) of Regulation (EEC) No 1939/81 must conform with the tables set out in Annexes 1 to 1.10.

2. The United Kingdom shall notify to the Commission, with the first application for reimbursement, the texts of the national implementing and control provisions and the administrative instructions as well as the forms or any other documents relating to the administrative implementation of the measure.

*Article 2*

The United Kingdom shall hold at the Commission's disposal, for a period of three years after payment of the final reimbursement, all the supporting documents or the certified copies thereof in its possession on the basis of which the aid provided for in Regulation (EEC) No 1939/81 has been approved, and the complete files on the beneficiaries as well as any documents and tables on the basis of which the reimbursement and advance applications have been established.

(1) OJ No L 197, 20. 7. 1981, p. 6.

*Article 3*

Applications for advancé payments in respect of expenditure eligible for aid from the European Agricultural Guidance and Guarantee Fund, Guidance Section, as referred to in Article 9 (3) of Regulation (EEC) No 1939/81, must conform with the tables set out in Annexes 2 to 2.8.

*Article 4*

1. Advance payments from the European Agricultural Guidance and Guarantee Fund, Guidance Section, may not exceed 80 % of the Community contribution towards the financing of the proposed expenditure for the year concerned.

2. Advance payments not spent during the year in respect of which they were paid shall be deducted from the advance payments to be paid in respect of the following year.

*Article 5*

1. At the end of each year in respect of which advance payments have been made, the United Kingdom shall submit a report on the progress of operations during that year, in accordance with the tables set out in Annexes 3 to 3.8.

2. Advance payments for the following year may not be made before the abovementioned report has been sent to the Commission.

*Article 6*

This Decision is addressed to the United Kingdom.

Done at Brussels, 15 July 1983.

(1) You are reminded that the information required by Article 8 of the Regulation should also be forwarded to the Commission.

It is confirmed that:

**Provisions concerning all measures**

— the expenditure for which reimbursement is requested is in respect of agricultural measures covered by the integrated development programme for the Western Isles of Scotland (Outer Hebrides) and approved by the Commission in Decision 82/433/EEC of 23 June 1982,

— projects for which Community aid is provided under other common measures have been excluded from this scheme,

— the beneficiaries have been informed in an appropriate manner of the percentage of the appropriations coming from the Community.

**Provisions concerning land development — In-bye improvement scheme and horticulture**

— reimbursement is only requested in respect of such cases where aids for investments have been granted within the limits laid down in Article 5 (2) of Regulation (EEC) No 1939/81.

**Provisions concerning fisheries and fish farming; also agricultural education — Community workshops**

— no reimbursement is claimed in respect of aid granted for purchase of land, running costs, working finance, administrative expenditure; fees for consultants, architects etc. are only considered for reimbursement up to a maximum of 12 % of the basic costs of the projects and only in respect of private firms consulted.

**Provisions concerning fisheries and fish farming — landing facilities**

— the investments made are closely associated with parallel investments in fish processing.

**Provisions concerning fisheries and fish farming — processing projects**

— investment aid for processing plants has not been/will not be greater than 75 % capital grant equivalent.

**Provisions concerning infrastructure**

— only such township roads which are principally for the use of farms or agricultural (including fish) processing plants have been considered for reimbursement from the EAGGF.

**Provisions concerning infrastructure, agricultural education, training and advisory services also fisheries advisory services, and training**

— to the extent a third party has borne the Member State's expenditure considered eligible for aid from the EAGGF there has been a specific transfer of the Member State's funds for that purpose.

**Provisions concerning agricultural education — training**

— reimbursement is not claimed in respect of courses which would qualify under Title II of Directive 72/161/EEC.

**Provisions concerning the drawing up of the integrated development programme**

— the reimbursement claimed is in respect of the actual costs of drawing up the programme, exclusive of costs relating to staff of the public administration.

It is confirmed that:

**Provisions concerning all measures**

— the advance is requested for agricultural measures covered by the integrated development programme for the Western Isles of Scotland (Outer Hebrides) and approved by the Commission in Decision 82/433/EEC of 23 June 1982,

— projects for which Community aid is provided under other common measures or through the European Regional Development Fund will be excluded from this scheme,

— the appropriations necessary for a national financial contribution are available and will be paid during the year in respect of which advance payments are requested,

— the advance payments will be made available to beneficiaries (including services) who bear the cost of the operations during the year in respect of which the advance payments are requested,

— the beneficiaries specified in the preceding indent will be informed in an appropriate manner, on payment of the advance, of the percentage of the appropriations coming from the Community. (A note on the procedure to be used is attached to this application.)

**Provisions concerning land development — In-bye improvement scheme and horticulture**

— the advance is only requested in respect of such cases where aid for investments will be granted within the limits laid down in Article 5 (2) of Regulation (EEC) No 1939/81.

**Provisions concerning infrastructure, agricultural education, training and advisory services; also fisheries advisory services and training**

— to the extent a third party is to bear the Member State's expenditure considered eligible for aid from the EAGGF there will be a specific transfer of the Member State's funds for that purpose.

**Provisions concerning infrastructure**

— only such township roads which are principally for the use of farms or agricultural (including fish) processing plants will be considered for reimbursement from the EAGGF.
