COMMISSION DECISION

of 14 January 1983

on the clearance of the accounts presented by Ireland in respect of the European Agricultural Guidance and Guarantee Fund, Guarantee Section, expenditure for 1977

(Only the English text is authentic)

(83/47/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 729/70 of 21 April 1970 on the financing of the common agricultural policy (1), as last amended by Regulation (EEC) No 3509/80 (2), and in particular Article 5 (2) thereof,

After consulting the Fund Committee;

Whereas, under Article 5 (2) (b) of Regulation (EEC) No 729/70, the Commission, on the basis of the annual accounts presented by the Member States, clears the accounts of the authorities and bodies referred to in Article 4 of that Regulation;

Whereas Ireland has transmitted to the Commission the documents required to clear the accounts for 1977; whereas the latter has carried out on-the-spot inspection as provided for in Article 9 (2) of Regulation (EEC) No 729/70;

Whereas Article 8 of Commission Regulation (EEC) No 1723/72 of 26 July 1972 on the clearance of the accounts of the European Agricultural Guidance and Guarantee Fund, Guarantee Section (3), provides that the Decision to clear the accounts must include the determination of the amount of expenditure incurred in each Member State during the financial year in question recognized as chargeable to the Fund, Guarantee Section, and also the determination of the amount of the Community's financial resources still available in each Member State;

Whereas, under Articles 2 and 3 of Regulation (EEC) No 729/70, only refunds on exports to non-member countries and intervention intended to stabilize agricultural markets, respectively granted and undertaken according to Community rules within the framework of the common organization of agricultural markets, may be financed; whereas the inspections carried out show that a part of the expenditure declared amounting to £ Irl 63 627,79 does not satisfy the requirements of these provisions and therefore cannot be financed; whereas the Member State has been fully informed of this deduction and has been able to give its views thereon;

Whereas the unrecognized expenditure includes an amount of £ Irl 6 118,99 for aid for skimmed-milk powder for animal feed on which no final decision can be taken in the course of this clearance operation because an additional investigation is first necessary; whereas it may be possible to recognize this amount when the accounts for 1978 are cleared;

Whereas under Council Regulation (EEC) No 1078/77 of 17 May 1977 introducing a system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds (4), as last amended by Regulation (EEC) No 1365/80 (5), 60 % of expenditure on those measures is borne by the Guarantee Section of the EAGGF and 40 % by the Guidance Section; whereas the said measures count as intervention within the meaning of Article 3 of Regulation (EEC) No 729/70 and constitute a common measure within the meaning of Article 6 (1) of that Regulation; whereas it is therefore necessary to include Guidance Section expenditure when clearing the accounts in respect of expenditure financed by the EAGGF,

HAS ADOPTED THIS DECISION:
