COMMISSION DECISION

of 20 September 1983

approving the plan for the accelerated eradication of classical swine fever presented by Greece

(Only the Greek text is authentic)

(83/484/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 80/1095/EEC of 11 November 1980 laying down conditions designed to render and keep the territory of the Community free from classical swine fever (1), and in particular Article 3 thereof,

Having regard to Council Decision 80/1096/EEC of 11 November 1980 introducing Community financial measures for the eradication of classical swine fever (2), and in particular Article 5 thereof,

Whereas, by letter dated 10 December 1982, Greece has communicated to the Commission a plan for the accelerated eradication of classical swine fever;

Whereas the plan has been examined and, after amendment, was found to comply with Council Directive 80/217/EEC of 22 January 1980 introducing Community measures for the control of classical swine fever (3) and with Directive 80/1095/EEC; whereas the conditions for financial participation by the Community are therefore met;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee; whereas the EAGGF Committee has been consulted,

HAS ADOPTED THIS DECISION:

Article 1

The plan for the accelerated eradication of classical swine fever presented by Greece is hereby approved.

Article 2

Greece shall bring into force by 1 August 1983 the laws, regulations and administrative provisions for implementing the plan referred to in Article 1.

Article 3

This Decision is addressed to the Hellenic Republic.

Done at Brussels, 20 September 1983.
