COMMISSION DECISION

of 8 February 1984

on the clearance of the accounts presented by the Grand Duchy of Luxembourg in respect of the European Agricultural Guidance and Guarantee Fund, Guarantee Section, expenditure for 1979

(Only the French text is authentic)

(84/211/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 729/70 of 21 April 1970 on the financing of the common agricultural policy (1), as last amended by Regulation (EEC) No 3509/80 (2), and in particular Article 5 (2) thereof,

After consulting the Fund Committee,

Whereas, under Article 5 (2) (b) of Regulation (EEC) No 729/70, the Commission, on the basis of the annual accounts presented by the Member States, clears the accounts of the departments and agencies referred to in Article 4 of that Regulation;

Whereas Luxembourg has transmitted to the Commission the documents required to clear the accounts for 1979; whereas the latter has carried out on-the-spot inspections as provided for in Article 9 (2) of Regulation (EEC) No 729/70;

Whereas Article 8 of Commission Regulation (EEC) No 1723/72 of 26 July 1972 on the clearance of the accounts of the European Agricultural Guidance and Guarantee Fund, Guarantee Section (3), provides that the Decision to clear the accounts must include the determination of the amount of expenditure incurred in each Member State during the financial year in question recognized as chargeable to the Fund, Guarantee Section, and also the determination of the amount of the Community's financial resources still available in each Member State;

Whereas under Articles 2 and 3 of Regulation (EEC) No 729/70, only refunds on exports to non-member countries and intervention intended to stabilize agricultural markets, respectively granted and undertaken according to Community rules within the framework of the common organization of agricultural markets, may be financed; whereas the inspections carried out show that part of the expenditure declared, totalling Lfrs 70 302 does not satisfy the requirements of these provisions and must therefore be disallowed; whereas the Member State has been fully informed of this deduction and has had an opportunity to state its views thereon;

Whereas under Council Regulation (EEC) No 1078/77 of 17 May 1977 introducing a system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds (4), as last amended by Regulation (EEC) No 1365/80 (5), 60 % of expenditure on those measures is borne by the Guarantee Section of the EAGGF and 40 % by the Guidance Section; whereas the said measures rank as intervention within the meaning of Article 3 of Regulation (EEC) No 729/70 and constitute a 'common measure' within the meaning of Article 6 (1) of that Regulation; whereas the relevant Guidance Section expenditure items must therefore be included when the accounts for guarantee expenditure financed by the EAGGF are cleared,

HAS ADOPTED THIS DECISION:
