COMMISSION DECISION

of 11 October 1984

amending Decision 78/463/EEC establishing a Community typology for agricultural holdings

(84/542/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Council Decision of 4 December 1962 on the coordination of policies on the structure of agriculture (1), and in particular Article 4 thereof,

Having regard to Council Regulation No 79/65/EEC of 15 June 1965 setting up a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Economic Community (2), as last amended by Regulation (EEC) No 2143/81 (3), and in particular Article 4 thereof,

Having regard to Council Regulation (EEC) No 218/78 of 19 December 1977 on the organization of a survey on the structure of agricultural holdings for 1979/80 (4), and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No 449/82 of 15 February 1982 on the organization of a survey on the structure of agricultural holdings for 1983 (5), and in particular Article 6 (1) (a) and (b) thereof,

Whereas Article 1 of Commission Decision 78/463/EEC (6) defines the two factors on which the Community typology is based, namely, the type of farming and the economic size of the holding; whereas these two factors are determined on the basis of the standard gross margin (SGM);

Whereas Commission Decision 84/260/EEC (7) amending Decision 78/463/EEC fixes, for a base period around 1980, the standard gross margins for all the Member States, with the exception of Italy; whereas Decision 78/463/EEC should therefore be supplemented for this Member State;

Whereas the provisions of this Decision are in accordance with the opinion of the Community Committee for the Farm Accountancy Data Network of the EEC and the opinion of the Standing Committee for Agricultural Statistics, and the Standing Committee on Agricultural Structure has been consulted on them,

HAS ADOPTED THIS DECISION:

Article 1
