COMMISSION DECISION

of 8 February 1984

approving a programme relating to a special emergency measure established by Council Regulation (EEC) No 2969/83 to assist stock farming in Italy

(Only the Italian text is authentic)

(84/95/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2969/83 of 19 October 1983 establishing a special emergency measure to assist stock farming in Italy (1), and in particular Article 3 thereof,

Whereas, on 22 December 1983, with a view to implementing the said measure, the Italian Government submitted the programme referred to in Article 3 of Regulation (EEC) No 2969/83 and provided certain details by telexes dated 13 and 17 January 1984;

Whereas the programme ensures that the aid foreseen in Article 2 of the said Regulation is granted to the farms, referred to in the Article 1 of the Regulation, only with a view to transforming into medium-term loans, short-term loans with a maximum duration of 12 months, taken up by the holdings before 30 November 1983 to cover operating costs; whereas the amounts and the duration of the aid foreseen in the programme seem appropriate in order to obtain the objectives of Regulation (EEC) No 2969/83; whereas it is, therefore, appropriate to approve the programme;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,

HAS ADOPTED THIS DECISION:
