Whereas, under Article 1 (2) of Decision 78/640/EEC, this participation in respect of Ireland is fixed at a maximum of 46 million ECU for the period 1 January 1977 to 31 December 1984;

Whereas the programme submitted by Ireland for surveillance of the maritime waters falling within its jurisdiction, which include the provisional expenditure estimate for medium-term and short-term measures, was verified by the Commission, which decided on 15 May 1979 that the said expenditure was eligible;

Whereas the application submitted by the Irish authorities pursuant to Point 6 of the Annex to Decision 78/640/EEC covers expenditure incurred during the period 1 January to 30 November 1984 which amounted to £ Irl 9 479 000;

Whereas the available appropriations amount to 2 005 400,74 ECU which corresponds to the amount outstanding after the advance payments made to Ireland in the years 1979 to 1983 and the final payment to the Irish authorities should amount to that sum in accordance with Article 1 (2) of Decision 78/640/EEC;

Whereas the final payment should be paid in accordance with Article 1 of the said Decision;

Whereas the EAGGF Committee has been consulted on the financial aspects, and in particular on the financial means available,
