COMMISSION DECISION

of 22 December 1986

authorizing the United Kingdom to restrict the marketing of seed of certain varieties of agricultural plant species

(Only the English text is authentic)

(87/111/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 70/457/EEC of 29 September 1970 on the common catalogue of varieties of agricultural plant species [1], as last amended by Directive 86/155/EEC [2], and in particular Article 15 (2), (3) and (7) thereof,

Having regard to the application lodged by the United Kingdom,

Whereas, pursuant to Article 15 (1) of the said Directive, seed or propagating material of varieties of agricultural plant species which have been officially accepted during 1984 in at least one of the Member States and which also meet the conditions laid down in the said Directive is, with effect from 31 December 1986, no longer subject to any marketing restrictions relating to the variety in the Community;

Whereas, however, Article 15 (2) of the said Directive provides that a Member State may be authorized upon application to prohibit the marketing of seed and propagating material of certain varieties;

Whereas the United Kingdom has applied for such authorization for a certain number of varieties of different species;

Whereas the varieties listed in this Decision have been the subject of official trials in the United Kingdom;

Whereas, in respect of the varieties Danny and Rally (perennial rye-grass) and Canberra (oat) the results of the trials show that in the United Kingdom, when compared with the national rules governing the acceptance of varieties there, which apply within the framework of current Community provisions, they are not distinct from varieties accepted there (Article 15 (3) (a), first case, of the said Directive);

Whereas, therefore, the application for the United Kingdom in respect of these varieties should be granted in full;

Whereas the application for other varieties is now being carefully examined by the Commission; whereas it is impossible to complete examination of the variety Barra (oat) before the time limit specified in Article 15 (1) of the said Directive;

Whereas the time limit in question should therefore, where the United Kingdom is concerned, be extended for an appropriate period in order to allow complete examination of the application in respect of this variety (Article 15 (7) of the above Directive);

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Seed and Propagating Material for Agriculture, Horticulture and Forestry,

HAS ADOPTED THIS DECISION:

Article 1

The United Kingdom is hereby authorized to prohibit the marketing in its territory of seed of the following varieties listed in the 1987 common catalogue of varieties of agricultural plant species:

I. **Fodder Plants**

Lolium perenne L.

Danny

Rally

II. **Cereals**

Avena sativa L.

Canberra

Article 2

The authorization given in Article 1 shall be withdrawn as soon as it is established that the conditions thereof are no longer satisfied.

Article 3

The United Kingdom shall notify the Commission of the date from which it makes use of the authorization under Article 1 and the detailed methods to be followed. The Commission shall inform the other Member States thereof.

[2] OJ No L 18, 7. 5. 1986, p. 23.

Article 4

The time limit specified in Article 15 (1) of Directive 70/457/EEC is, where the United Kingdom is concerned, extended from 31 December 1986 to 30 June 1987 in respect of the following variety:

Cereals

Avena sativa L.

Barra

Article 5

This Decision is addressed to the United Kingdom.

Done at Brussels, 22 December 1986.

For the Commission

Frans ANDRIESSEN

Vice-President
