# COUNCIL DECISION

## of 2 June 1987

## approving amendments to the Statutes of the Joint European Torus (JET), Joint Undertaking

(87/289/Euratom)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Atomic Energy Community, and in particular Article 50 thereof,

Having regard to the proposal from the Commission,

Whereas, for the purposes of implementing the JET project, the Council, by Decision 78/471/Euratom (1), established the Joint European Torus (JET), Joint Undertaking, and adopted the Statutes thereof, later amended by Decisions 79/270/Euratom (2) and 83/310/Euratom (3);

Whereas, following the accession to the European Communities of the Kingdom of Spain and the Portuguese Republic, the 'Centro de Investigaciones Energéticas Medioambientales y Technológicas', Spain, and the 'Junta Nacional de Investigação Cientifica e Technológica', Portugal, requested accession to the JET Joint Undertaking;

Whereas the JET Council has approved their accession to the JET Joint Undertaking and the amendments to the JET Statutes required by that accession and by some other changes that have occurred since the last amendment to the Statutes,

HAS DECIDED AS FOLLOWS:

*Article 1*

The amendments to the Statutes of the 'Joint European Torus (JET), Joint Undertaking', annexed to this Decision, are hereby approved.

*Article 2*

This Decision shall enter into force on the day following that of its publication in the *Official Journal of the European Communities.*

Done at Luxembourg, 2 June 1987.

*For the Council*

*The President*
