of 30 November 1987

approving an addendum to the floriculture sector programme notified by the Greek Goverment under Council Regulation (EEC) No 355/77

(Only the Greek text is authentic)

(87/579/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural and fishery products are processed and marketed [1], as last amended by Regulation (EEC) No 560/87 [2], and in particular Article 5 thereof,

Whereas on 22 April 1985 the Greek Government notified an addendum to the programme approved by Commission Decision No 82/250/EEC [3] on the marketing of non-edible horticultural products, and on 1 April 1987 provided additional information thereon;

Whereas the aim behind this addendum to the programme is modernization of storage and marketing facilities for non-edible horticultural products so that the competitivity of the sector can be increased, production more fully exploited and producers' incomes increased; whereas it is therefore a programme as indicated in Article 2 of Regulation (EEC) No 355/77;

Whereas it contains enough information as specified in Article 3 of Regulation (EEC) No 355/77 to show that the aims set out in Article 1 of that Regulation can be attained as regards the marketing of non-edible horticultural products; whereas the period set for implementation of the addendum is not longer than that specified in Article 3 (1) (b) of the said Regulation;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Stuctures,

HAS ADOPTED THIS DECISION:

Article 1

Article 2

This Decision is addressed to the Hellenic Republic.

Done in Brussels, 30 November 1987.
