COMMISSION

COMMISSION DECISION

of 22 December 1986

authorizing the Italian Republic to apply intra-Community surveillance to imports of bananas originating in certain third countries and put into free circulation in the other Member States

(Only the Italian text is authentic)

(87/59/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Whereas on 10 December 1986 the Italian Government applied for authorization to apply intra-Community surveillance to imports of bananas falling within subheading 08.01 B of the Common Customs Tariff originating in certain third countries [1] other than the African, Caribbean and Pacific (ACP) States and put into free circulation in the other Member States;

Whereas by its Decision of 19 December 1986 [2] the Commission authorized the Italian Republic, under Article 115 of the Treaty, to apply until 30 June 1987 certain protective measures in respect of bananas originating in the third countries listed below; whereas under this Decision applications to import such bananas put into free circulation in the other Member States are subject to the lodging of a security;

Whereas the Italian Government has stated that the circumstances which led the Commission to adopt intra-Community surveillance measures in the past still prevail, namely the need to ensure the effectiveness of the commercial policy measures which Italy applies in respect of direct imports of fresh bananas originating in certain third countries other than the ACP States in order to attain the objective laid down in Protocol 4 to the Lomé Convention;

Whereas it is therefore necessary to authorize the Italian Republic to apply intra-Community surveillance until 31 December 1987 to imports of the products in question; whereas acceptance of import applications submitted under the surveillance system must be made subject to the conditions laid down in Article 1 of the Commission Decision of 19 December 1986 referred to above,

HAS ADOPTED THIS DECISION:
