COMMISSION DECISION

of 8 March 1988

allocating to Luxembourg resources to be charged to the 1988 budget year for the supply of food from intervention stocks to designated organizations for distribution to the most deprived persons in the Community

(88/145/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3730/87 of 10 December 1987 laying down the general rules for the supply of food from intervention stocks to designated organizations for distribution to the most deprived persons in the Community [1],

Having regard to Commission Regulation (EEC) No 3744/87 of 14 December 1987 laying down the detailed rules for the supply of food from intervention stocks to designated organizations for distribution to the most deprived persons in the Community [2], and in particular Article 10 thereof,

Having regard to Council Regulation (EEC) No 1676/85 of 11 June 1985 on the value of the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy [3], as last amended by Regulation (EEC) No 1636/87 [4], and in particular Article 2 (4) thereof,

Whereas in order to implement the scheme for the supply of such food to that section of the population, to be financed from resources available in the 1988 budget year, it is necessary to allocate the resources between the Member States; whereas in order to facilitate the implementation of this scheme it is necessary to specify the rate of exchange to be employed in converting ECU into the national currency and to do so at a rate which reflects economic reality;

Whereas statistical data upon which the numbers of the most deprived persons in each Member State may be estimated is now available;

Whereas on 4 January 1988, Luxembourg requested Commission authorization to initiate the action on its territory and indicated the quantities of produce that it wished to distribute; whereas the Commission by Decision 88/37/EEC [5] granted to Luxembourg an initial allocation of resources; whereas on 8 February 1988 Luxembourg made a request for further support to continue this action; whereas the Commission, by Decision 88/132/EEC [6], granted to Luxembourg a further allocation of resources; whereas on 26 February 1988 Luxembourg made a third request for further support to continue this action; whereas it is desirable to make, subject to any further allocation pursuant to the provisions of Article 4 (2) of Regulation (EEC) No 3744/87, a definitive allocation of resources for implementation of this action in Luxembourg;

Whereas, in accordance with the provisions of Article 1 (4) of Regulation (EEC) No 3744/87, the Commission has sought the advice of major organizations familiar with the problems of the most deprived persons in the Community when drawing up this Decision,

HAS ADOPTED THIS DECISION:
