COMMISSION DECISION

of 8 March 1988

authorizing the Italian Republic to apply intra-Community surveillance to imports of slide fasteners with scoops not of base metal and parts thereof originating in Taiwan

(Only the Italian text is authentic)

(88/211/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 115 thereof,

Having regard to Commission Decision 87/433/EEC of 22 July 1987 on surveillance and protective measures which Member States may be authorized to take pursuant to Article 115 of the EEC Treaty [1], and in particular Articles 1 and 2 thereof,

Whereas Commission Regulation (EEC) No 3752/87 [2] instituted a system for the authorization within certain limits of imports into Italy of certain kinds of slide fasteners originating in Taiwan;

Whereas the conditions for importing the products in question into Italy differ from the conditions for importing them into the other Member States; whereas these differences are liable to result in deflections of trade;

Whereas, in order to detect such deflections of trade rapidly, the Italian Government has asked the Commission of the European Communities for authorization to apply prior intra-Community surveillance to imports of the products in question originating in Taiwan and in free circulation in the other Member States;

Whereas the Commission has examined the matter to determine whether these imports could be subject to intra-Community surveillance; whereas this examination has shown that deflection has occurred in the past and is likely to recur and so undermine the objectives of Regulation (EEC) No 3752/87 and aggravate or prolong the economic difficulties of the sector concerned, as described in that Regulation;

Whereas, in these circumstances, Italy should be authorized to apply intra-Community surveillance to imports of the products in question originating in Taiwan and in free circulation in the other Member States,

HAS ADOPTED THIS DECISION:

Article 1

The Italian Republic is hereby authorized in accordance with Article 2 of Decision 87/433/EEC to apply intra-Community surveillance until 31 December 1988 to imports of the following products originating in Taiwan:

CN code	Description
9607 19 00 9607 20 91	Slide fasteners with scoops not of base metal and parts thereof

Article 2

This Decision is addressed to the Italian Republic.
