COMMISSION DECISION

of 9 August 1988

recognizing that the production of certain quality wines produced in specified regions, because of their qualitative features, is far below demand

(Only the Spanish, French and Italian texts are authentic)

(88/486/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 822/77 of 16 March 1987 on the common organization of the market in wine [1], as last amended by Regulation (EEC) No 1441/88 [2], and in particular Article 6 (4) thereof,

Whereas under Article 6 (1) of Regulation (EEC) No 822/87 all new plantings of vines are prohibited until 31 August 1990; whereas, however, that provision allows Member States to grant authorizations for new plantings in the case of quality wines psr for which the Commission has recognized that production, because of their qualitative features, is far below demand;

Whereas requests to apply that provision to certain quality wines psr were submitted by the Spanish Government on 29 January 1988, the Italian Government on 20 June 1988 and the French Government on 7 April 1988;

Whereas scrutiny of those requests shows that the quality wines psr concerned meet the requirements applicable provided that, for all quality wines psr produced in the same region, the increase in the areas intended for their production does not exceed the limits laid down by the Spanish, Italian or French Governments, respectively;

Whereas the Management Committee for Wine has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS DECISION:

Article 1

The quality wines psr listed in the Annex hereto meet the requirements laid down in the second subparagraph of Article 6 (1) of Regulation (EEC) No 822/87 subject, for all quality wines psr in any given region, to compliance with the maximum increase in area specified in the Annex.

Article 2

This Decision is addressed to the Kingdom of Spain, the French Republic and the Italian Republic.

Done at Brussels, 9 August 1988.

For the Commission
