COMMISSION DECISION

of 7 October 1988

approving a Greek programme for feedingstuffs pursuant to Council Regulation (EEC) No 355/77

(Only the Greek text is authentic)

(88/532/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural and fisheries products are processed and marketed [1], as last amended by Regulation (EEC) No 560/87 [2], and in particular Article 5 thereof,

Whereas on 14 September 1987 the Greek Government forwarded a programme on feedingstuffs and, on 18 April 1988, provided additional information regarding that programme;

Whereas the programme is designed to rationalize and modernize the feedingstuffs sector with a view to raising productivity and obtaining the best return for the products concerned; whereas it therefore constitutes a programme within the meaning of Article 2 of Regulation (EEC) No 355/77;

Whereas, the programme contains sufficient data, as referred to in Article 3 of Regulation (EEC) No 355/77, which show that the objectives set out in Article 1 of that Regulation can be achieved in the feedingstuffs sector and that the time allowed for its completion does not exceed that specified in Article 3 (1) (g) of the said Regulation;

Whereas the measures laid down in this Decision are in accordance with the opinion of the Standing Committee on Agricultural Structure,

HAS ADOPTED THIS DECISION:

Article 1

The programme for feedingstuffs which was forwarded by the Greek Government on 14 September 1987 and supplemented on 18 April 1988 pursuant to Regulation (EEC) No 355/77 is hereby approved.

Article 2

This Decision is addressed to the Hellenic Republic.

Done at Brussels, 7 October 1988.

For the Commission

Frans ANDRIESSEN

Vice-President
