of 28 December 1987

authorizing the Italian Republic to apply intra-Community surveillance to imports of bananas originating in certain third countries and put into free circulation in the other Member States

(88/92/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to Commission Decision 87/433/EEC of 22 July 1987 on surveillance and protective measures which Member States may be authorized to take pursuant to Article 115 of the EEC Treaty [1], and in particular Articles 1, 2 and 5 thereof,

Whereas, on 15 December 1987, the Italian Government applied for authorization to apply intra-Community surveillance to imports of bananas falling within subheading 08.01 B I of the Common Customs Tariff originating in certain third countries other than the African, Caribbean and Pacific (ACP) States [2] and put into free circulation in the other Member States;

Whereas, by its Decision of 29 June 1987 [3], the Commission authorized the Italian Republic, under Article 115 of the Treaty, to apply until 31 January 1988 certain protective measures in respect of bananas originating in the third countries listed below; whereas, under that Decision, applications to import such bananas put into free circulation in the other Member States are subject to the lodging of a security;

Whereas the Italian Governmant has stated that the circumstances which led the Commission to adopt intra-Community surveillance measures in the past still prevail, namely the need to ensure the effectiveness of the commercial policy measures which Italy applies in respect of direct imports of fresh bananas originating in certain third countries other than the ACP States in order to attain the objective laid down in Protocol 4 of the Lomé Convention;

Whereas, without prejudice to a later examination of the situation, it is therefore necessary to authorize the Italian Republic to apply intra-Community surveillance until 31 January 1988 to imports of the products in question; whereas acceptance of import applications submitted under the surveillance system must be made subject to the conditions laid down in Article 1 of the Commission Decision of 29 June 1987 referred to above,

HAS ADOPTED THIS DECISION:

Article 1

1. The Italian Republic is hereby authorized to apply intra-Community surveillance in accordance with Decision 87/433/EEC until 31 January 1988 to imports of bananas falling within subheading 08.01 B I of the Common Customs Tariff originating in the third countries listed in the Annex and put into free circulation in the other Member States.

2. The acceptance of import applications shall be subject to the conditions laid down in Article 1 of the Commission Decision of 29 June 1987.

Article 2

This Decision is addressed to the Italian Republic.
