COMMISSION DECISION

of 30 June 1989

allocating import quotas for chlorofluorocarbons for the period 1 July 1989 to 30 June 1990

(89/419/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3322/88 of 14 October 1988 on certain chlorofluorocarbons and halons which deplete the ozone layer [1], and in particular Article 7 thereof,

Whereas Article 3 of Regulation (EEC) No 3322/88 states that import into the Community of chlorofluorocarbons and halons originating in third countries are to be subject to quantitative limits;

Whereas Article 4 of the same Regulation states that with effect from 1 January 1990, import into the Community of chlorofluorocarbons originating in third countries not Parties to the Montreal Protocol is prohibited;

Whereas the Commission has published a notice to importers of chlorofluorocarbons and halons in the European Community [2] regarding the same Regulation and has thereby received applications for import quotas;

Whereas Article 10 of the same Regulation sets out the procedure according to which decisions can be taken concerning the implementation of the Regulation;

Whereas the measures provided for in this Decision are in accordance with the opinion of the committee referred to in Article 10 of the same Regulation,

HAS ADOPTED THIS DECISION:

Article 1

The allocation of import quotas for chlorofluorocarbons controlled by Regulation (EEC) No 3322/88 and indicated in Group I of Annex I thereto during the period 1 July 1989 to 30 June 1990 shall be as indicated in the Annex hereto.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 30 June 1989.
