COMMISSION

COMMISSION DECISION

of 10 October 1989
concerning the steel area of the Grand Duchy of Luxembourg referred to in Article 4 (2) of Council Regulation (EEC) No 328/88 instituting a Community programme to assist the conversion of steel areas (Resider programme)

(Only the French text is authentic)

(89/559/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 328/88 of 2 February 1988 instituting a Community programme to assist the conversion of steel areas (Resider programme) (1), and in particular Articles 3 and 4 thereof,

Whereas Article 4 (2) of Regulation (EEC) No 328/88 stipulates that the Community programme may apply to the steel area of the Grand Duchy of Luxembourg, provided it meets the criteria set out in Article 3 (1) (a), (b) and (c) and the thresholds laid down in Article 4 (1) (a), (b) and (c);

Whereas the Member State concerned must submit an application for approval of the areas to which the Community programme is to apply; whereas the Grand Duchy of Luxembourg has submitted such an application to the Commission in respect of its steel area;

Whereas that area satisfies the abovementioned criteria and thresholds,

HAS ADOPTED THIS REGULATION:

Article 1

The Luxembourg steel area is hereby found to satisfy the criteria in Article 3 (1) (a), (b) and (c) and the thresholds in Article 4 (1) (a), (b) and (c) of Council Regulation (EEC) No 328/88. The Community programme instituted by that Regulation shall therefore apply to that area.

Article 2

This Decision is addressed to the Grand Duchy of Luxembourg.

Done at Brussels, 10 October 1989.

For the Commission
Bruce MILLAN
Member of the Commission
