COMMISSION DECISION

of 25 June 1990

amending Decision 89/471/EEC authorizing methods for grading pig carcases in Germany

(Only the German text is authentic)

(90/346/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat [1], as last amended by Regulation (EEC) No 1249/89 [2], and in particular Article 4 (6) thereof,

Having regard to Council Regulation (EEC) No 3220/84 of 13 November 1984 determining the Community scale for grading pig carcases [3], as amended by Regulation (EEC) No 3530/86 [4], and in particular Article 5 (2) thereof,

Whereas by Decision 89/471/EEC [5], the Commission set the date 30 June 1990 as the final date for the application of Decision 87/43/EEC [6] on this subject and authorized the methods for grading pig carcases in Germany, which entail in particular the use of the apparatus termed 'Ultrasound-Scanner', results of measuring with which constitute the basis for a procedure for calibrating other apparatus for grading pig carcases; whereas the other apparatus apparently require further technical adjustments to satisfy the calibration conditions; whereas, for that reason, the period of application of Decision 87/43/EEC must be extended from 30 June 1990 to 31 December 1990;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS DECISION:

Article 1

In Article 4 of Decision 89/471/EEC, '30 June 1990' is hereby replaced by '31 December 1990'.

Article 2

This Decision is addressed to the Federal Republic of Germany.

Done at Brussels, 25 June 1990.
