COMMISSION DECISION

of 29 July 1991

approving measures to set up pilot projects for the control of rabies with a view to its eradication or prevention presented by Italy

(Only the Italian text is authentic)

(91/432/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Decision 89/455//EEC of 24 July 1989 introducing Community measures to set up pilot projects for the control of rabies with a view to its eradication or prevention [1], and in particular Article 4 thereof,

Whereas, conforming to Article 1 of Decision 89/455/EEC Italy shall set up large-scale pilot projects in accordance with Article 3 for the eradication or prevention of rabies in the wild life of the Community using vaccines for the oral immunization of foxes;

Whereas the pilot projects as presented by Italy include the adjacent border areas of Austria and Yugoslavia;

Whereas the pilot project is part of a cross border cooperation with Austria and Yugoslavia;

Whereas by letters dated 16 April and 31 May 1991 Italy notified the Commission of pilot projects for the control of rabies with a view to its eradication or prevention;

Whereas, after examination the pilot project was found to comply with Decision 89/455/EEC; whereas the conditions for financial participation by the Community are therefore met;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The pilot projects for the eradication and prevention of rabies, presented by Italy are hereby approved.

Article 2

Italy shall bring into force by 17 April 1991 the laws, regulations and administrative provisions for implementing the pilot projects referred to in Article 1.

Article 3

This Decision is addressed to the Italian Republic.

Done at Brussels, 29 July 1991.
