COMMISSION DECISION

of 5 March 1992

establishing the regionalization of certain third countries for imports of equidae

(92/160/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 90/426/EEC on animal health conditions governing the movement and import from third countries of equidae ([1]), as amended by Directive 91/496/EEC ([2]), and in particular Article 13 (2) thereof,

Whereas by Council Decision 79/542/EEC ([3]), as last amended by Commission Decision 92/14/EEC ([4]), the Council has established a list of third countries from which Member States authorize imports of bovine animals, swine, equidae and fresh meat, including meat products;

Whereas it is necessary to take into account the health situation of the third countries from which Member States authorize the imports of equidae;

Whereas it is therefore appropriate that the said imports from some third countries are only authorized for Member States from one or more parts of the territory;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee;

HAS ADOPTED THIS DECISION:

Article 1

Member States authorize imports of equidae from parts of third country territories listed in the Annex to the Decision.

Article 2

Decision 79/542/EEC is amended as follows:

1. The countries listed in the Annex to this Decision are deleted from Article 1 (3) (c);
2. Footnote ([1]) appearing in the special column for equidae is deleted in respect of the countries included in the Annex to this Decision.

Article 3

This Decision is addressed to the Member States.
