COMMISSION DECISION

of 19 November 1992

on import licences in respect of beef and veal products originating in Botswana, Kenya, Madagascar, Swaziland, Zimbabwe and Namibia

(92/556/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 715/90 of 5 March 1990 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States (ACP States) or in the overseas countries and territories (OCT) [1], as amended by Regulation (EEC) No 444/92 [2], and in particular Article 27 thereof,

Having regard to Commission Regulation (EEC) No 2377/80 of 4 September 1980 on special detailed rules for the application of the system of import and export licences in the beef and veal sector [3], as last amended by Regulation (EEC) No 815/91 [4], and in particular Article 15 (6) (b) (i) thereof,

Whereas Regulation (EEC) No 715/90 provides for the possibility of issuing import licences for beef and veal products; whereas, however, imports must take place within the limits of the quantities specified for each of these exporting non-member countries;

Whereas the applications for import licences submitted between 1 and 10 November 1992, expressed in terms of boned meat, in accordance with Article 15 (1) (b) of Regulation (EEC) No 2377/80, do not exceed, in respect of products originating in Botswana, Kenya, Madagascar, Swaziland, Zimbabwe and Namibia, the quantities available from these States; whereas it is therefore possible to issue import licences in respect of the quantities requested;

Whereas the remaining quantities, in respect of which licences may be applied for from 1 December 1992, should be fixed within the scope of the total quantity of 49 600 tonnes;

Whereas it seems expedient to recall that this Decision is without prejudice to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine, ovine and caprine animals and swine and fresh meat or meat based products from third countries [5], as last amended by Regulation (EEC) No 1601/92 [6],
