COMMISSION DECISION

of 23 December 1992

approving the programme for the eradication of rabies presented by the Federal Republic of Germany and fixing the level of the Community's financial contribution

(Only the German text is authentic)

(93/93/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Decision 90/424/EEC of 26 June 1990 on expenditure in the veterinary field [1], as last amended by Decision 92/337/EEC [2] and in particular Article 24 thereof,

Whereas Council Decision 89/455/EEC of 24 July 1989 on introducing a measure to set up pilot projects for the control of rabies with a view to its eradication or prevention [3] has terminated in Spring 1992 and whereas these pilot projects were remarkably successful and have demonstrated the feasibility of rabies eradication from the Community;

Whereas it is now desirable to introduce full scale eradication measures in infected Member States and adjacent infected third countries in order to prohibit the re-entry of rabies;

Whereas the eradication programme as presented by the Federal Republic of Germany includes the adjacent areas of Poland, Austria and Czechoslovakia;

Whereas by letter dated 3 June 1992 and communication of 10 September 1992, the Federal Republic of Germany has submitted a programme for the eradication of rabies to be carried out in Autumn 1992;

Whereas after examination of the programme it was found to comply with all Community criteria relating to the eradication of the disease in conformity with Council Decision 90/638/EEC on laying down Community criteria for the eradication and monitoring of certain animal diseases [4], as last amended by Directive 92/65/EEC [5];

Whereas a Community financial contribution will be given provided the abovementioned conditions are fulfilled, and the authorities will provide all necessary information in conformity with Article 24 (8) of Decision 90/424/EEC, and whereas it is appropriate to fix the Community financial participation at the rate of ECU 0,5 for each vaccine plus bait laid plus 50 % of the cost of aerial distribution of said vaccine plus bait;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The programme in September, October, November and December 1992 for the eradication of rabies, presented by the Federal Republic of Germany is hereby approved.

Article 2

The Federal Republic of Germany shall bring into force by 1 September 1992 the laws, regulations and administrative provisions for implementing the programme referred to in Article 1.

Article 3

Financial participation by the Community shall be at the rate of ECU 0,5 for each vaccine plus bait laid within the eradication area plus 50 % of the cost of aerial distribution of the vaccine plus bait.

Article 4

The Community financial contribution shall be granted after the supporting documents have been supplied.

Article 5

This Decision is addressed to the Federal Republic of Germany.
