COMMISSION DECISION

of 20 September 1994

establishing the inventory and distribution of tasks to be undertaken within the framework of cooperation by Member States in the scientific examination of questions relating to food

(94/652/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 93/5/EEC of 25 February 1993 on assistance to the Commission and cooperation by the Member States in the scientific examination of questions relating to food [1], and in particular Article 3 thereof,

Whereas Directive 93/5/EEC provides for assistance to the Commission and cooperation by the Member States in the scientific examination of questions relating to food; whereas Commission Decision 94/458/EC [2] has laid down rules on the administrative management of cooperation in the scientific examination of questions relating to food;

Whereas Article 3 of Directive 93/5/EEC provides for the establishment and updating at least every six months of the inventory of tasks to be undertaken within the framework of scientific cooperation and their associated priorities, and for the distribution of these tasks between the Member States;

Whereas the inventory of tasks should be established and updated having regard to the needs for the protection of public health within the Community and the requirements of Community legislation in the foodstuffs sector;

Whereas the tasks should be distributed having regard to the scientific expertise and resources available within the Member States and in particular, within the institutes which will be participating in the scientific cooperation;

Whereas the measures provided for by this Decision are in accordance with the opinion of the Standing Committee for Food,

HAS ADOPTED THIS DECISION:

Article 1

The inventory of tasks to be undertaken within the framework of cooperation by the Member States in the scientific examination of questions relating to food together with the distribution of these tasks between the Member States is set out in the Annex to this Decision.

Article 2

Each authority or body which has been designated by the Member States in accordance with Article 2 of Directive 93/5/EEC shall forthwith inform the Commission of the names of the institute or institutes which will carry out the tasks referred to in the Annex which have been distributed to it. It shall forthwith inform the Commission of any changes.
