(95/360/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments [1], as last amended by Regulation (EC) No 3193/94 [2], and in particular Article 10 (1) last subparagraph thereof,

Having regard to the Protocol 6 on special provisions for Objective 6 in the framework of the Structural Funds in Finland and Sweden, annexed to the Act of Accession of Austria, Finland and Sweden [3],

After consultation of the Advisory Committee on the Development and Conversion of Regions, the Committee under Article 124 of the Treaty, the Management Committee on Agricultural Structures and Rural Development and the Standing Management Committee on Fisheries Structures,

Whereas Article 4 of Protocol 6 lays down that, subject to the specific provisions concerning Objective 6 laid down in Articles 1 and 3 of Protocol 6, the provisions of the Regulations governing the Structural Funds, and in particular those applying to Objective 1, shall apply to Objective 6;

Whereas the programming procedure for structural assistance under Objective 6 is that defined in Article 8 (4) to (7) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments [4], as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional development plan referred to in Article 8 (4) of Regulation (EEC) No 2052/88 and the information required at Article 14 (2) of Regulation (EEC) No 4253/88; whereas the last subparagraph of Article 10 (1) of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas the Finnish Government submitted to the Commission on 8 March 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the regions of Etelä-Savo, Pohjois-Karjala, Kainuu and Lappi, and parts of the regions of Pohjois-Savo (Nilsiä), Keski-Suomi (Saarijärvi, Viitasaari), Keski-Pohjanmaa (Kaustinen) and Pohjois-Pohjanmaa (Ii, Pyhäntä, Kuusamo and Nivala) as laid down in Annex I of Protocol 6; whereas this document contains the elements referred to in Article 8 (4) and (7) and Article 10 of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible, pursuant to the second subparagraph of Article 33 (2) of Regulation (EEC) No 4253/88, as from 1 January 1995;

Whereas the single programming document submitted by this Member State includes a description of the priorities selected and the applications for assistance from the European Regional Development Fund (ERDF), the European Social Fund (ESF), the European Agricultural Guidance and Guarantee Fund (EAGGF), Guidance Section, and the Financial Instrument for Fisheries Guidance (FIFG);

Whereas, in accordance with Article 3 of Regulation (EEC) No 4253/88, the Commission is charged with ensuring, within the framework of the partnership, coordination and consistency between assistance from the Funds

and assistance provided by the EIB and the other financial instruments, including the European Coal and Steel Community (ECSC) and the other actions for structural purposes;

Whereas the European Investment Bank (EIB) has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming, document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas the second subparagraph of Article 2 of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds [1], as last amended by Regulation (EC) No 2745/94 [2], stipulates that in the Commission decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88, as amended by the Act of Accession of Austria, Finland and Sweden [3]; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund [4], as amended by Regulation (EEC) No 2083/93 [5], defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund [6], as amended by Regulation (EEC) No 2084/93 [7], defines the measures for which the ESF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4256/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Agricultural Guidance and Guarantee Fund (EAGGF) Guidance Section [8], as amended by Regulation (EEC) No 2085/93 [9], defines the measures for which the EAGGF Guidance Section may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 2080/93 of 20 July 1993 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the Financial Instrument for Fisheries Guidance [10], defines the measures for which the FIFG may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve cofinancing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994 or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities [11], as last amended by Regulation (ECSC, EC, Euratom) No 2730/94 [12], states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas all the other conditions laid down for the grant of aid from the ERDF, the ESF, the EAGGF Guidance section, and the FIFG have been complied with,
