COMMISSION DECISION

of 19 October 1995

on import licences in respect of beef and veal products originating in Botswana, Kenya, Madagascar, Swaziland, Zimbabwe and Namibia

(95/439/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 715/90 of 5 March 1990 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the ACP States or in the overseas countries and territories (OCT) [1], as last amended by Regulation (EC) No 2484/94 [2], and in particular Article 27 thereof,

Having regard to Commission Regulation (EC) No 1636/95 of 5 July 1995 temporarily adapting the special import arrangements in the beef sector provided for in Council Regulation (EEC) No 715/90 with the view to the implementation of the Agreement on Agriculture concluded during the Uruguay Round of multilateral trade negotiations [3],

Whereas Article 1 of Regulation (EC) No 1636/95 provides for the possibility of issuing import licences for beef and veal products; whereas, however, imports must take place within the limits of the quantities specified for each of these exporting third countries;

Whereas the applications for import licences submitted between 1 and 10 October 1995, expressed in terms of boned meat, in accordance with Regulation (EC) No 1636/95, do not exceed, in respect of products originating from Botswana, Kenya, Madagascar, Swaziland and Namibia the quantities available from these States; whereas it is therefore possible to issue import licences in respect of the quantities requested for those countries;

Whereas Commission Regulation (EC) No 2449/95 of 19 October 1995 establishing for 1995 the breakdown for beef imports from the African, Caribbean and Pacific (ACP) States pursuant to Council Regulation (EEC) No 715/90 [4] provides in 1995 for a transfer to Zimbabwe of 1 642 tonnes from the quotas allocated to Kenya, Swaziland and Namibia; whereas, on the basis of that transfer and the licences applied for in October, the quantities for which licence applications may be submitted from 1 November 1995 should be fixed within the total quantity of 52 100 tonnes;

Whereas it seems expedient to recall that this Decision is without prejudice to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine, ovine and caprine animals and swine, fresh meat or meat products from third countries [5], as last amended by the Act of Accession of Austria, Finland and Sweden,
