COMMISSION

COMMISSION DECISION
of 23 November 1995
repealing recommendation 88/285/EEC on third party financing

(95/504/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community, and in particular Article 155 thereof,

Whereas Commission recommendation 88/285/EEC [1] was adopted in order to propose measures to the Member States to encourage third party financing for investments in energy efficiency;

Whereas the area targeted by this recommendation has now been covered by Council Directive 93/76/EEC of 13 September 1993 to limit carbon dioxide emissions by improving energy efficiency (SAVE) [2];

Whereas the Commission's assessment in 1991 of the implementation of this recommendation by the Member States show the results to be very uneven and in some cases fairly ineffectual;

Whereas recommendation 88/285/EEC has been overtaken by developments in the Community's legislative process and is thus no longer relevant,

HAS ADOPTED THIS DECISION:

Article 1

Recommendation 88/285/EEC is hereby repealed.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 23 November 1995.
