Whereas on 30 March 1995 the Austrian Government submitted to the Commission the single programming document referred to in Article 10 (a) of Regulation (EEC) No 866/90 for the regions outside Objective 1, supplemented by additional information sent on 4 July, 12 October and 3 November 1995; whereas that document contains the plans designed to improve the structures relating to the various product sectors referred to in Article 2 (1) of Regulation (EEC) No 866/90 and the aid applications referred to in Article 10 (a) of that Regulation;

Whereas the single programming document meets the conditions of and contains the information required in Article 1 (3) of Regulation (EC) No 860/94 of 18 April 1994 on plans and applications, in the form of operational programmes, for aid from the European Agricultural Guarantee and Guidance Fund (Guidance Section) for investments for improving the processing and marketing conditions for agricultural and forestry products [2];

Whereas the single programming document was drawn up in agreement with the Member State concerned under the partnership as defined in Article 4 of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments [3], as last amended by Regulation (EC) No 3193/94 [4];
