(96/169/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3508/92 of 27 November 1992 establishing an integrated administration and control system for certain Community aid schemes ([1]), as amended by Regulation (EC) No 3235/94 ([2]), and in particular Article 6 (2) thereof,

Whereas Article 6 (2) of Regulation (EEC) No 3508/92 provides that the Commission may authorize Member States to fix a final date for the submission of an 'area' aid application between 1 April and the dates referred to in Articles 10, 11 and 12 of Council Regulation (EEC) No 1765/92 ([3]); whereas Member States must justify their choice of date, in particular by providing the Commission with a detailed working plan which demonstrates that the proposed date allows the time required for all relevant data to be made available for the proper administrative and financial management of the aid and for the necessary checks to be carried out;

Whereas certain Member States have submitted to the Commission applications for the authorization of dates after 31 March accompanied by the relevant working plans; whereas the Commission has studied these applications, taking particular account of the experience acquired in the implementation of the integrated system in 1995 by the Member States concerned as well as proposals for improvements in working methods contained in the plans submitted by Member States;

Whereas the measures provided for in this Decision conform with the opinion of the Committee on the European Agricultural Guidance and Guarantee Fund,

HAS ADOPTED THIS DECISION:

Article 1

The Commission hereby authorizes the Member States listed in the Annex hereto to fix the final dates mentioned there for the submission of the 'area' aid applications in 1996.
