THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Regulation (EC) No 1588/96 [2], and in particular Article 4i (4) thereof,

Whereas, pursuant to Article 4i (1) of Regulation (EEC) No 805/68, the processing premium applies to animals withdrawn from production before passing the age of 10 days; whereas, however, pursuant to paragraph 4 of that provision, the Commission may authorize a Member State to pay the premium for animals withdrawn before exceeding the age of 20 days, on the basis of a duly substantiated request setting out appropriate control measures; France has submitted a request accompanied by a programme of control measures intended to prevent any abuse and to ensure in particular that these animals are excluded from human consumption; whereas, therefore, the authorization requested should be granted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS DECISION:

Article 1

France is hereby authorized to grant the processing premium provided for in Article 4i of Regulation (EEC) No 805/68 for animals withdrawn from production before exceeding the age of 20 days.

Article 2

This Decision is addressed to the French Republic.
