(3) Whereas this Decision will not be adapted to the legal situation on 1 July 1999 since Directive 64/432/EEC was amended by Directive 98/46/EC ([4]); whereas moreover certain provisions for the recognition as officially brucellosis-free Member State or region have been modified by Directive 98/46/EC; whereas it is necessary to repeal Decision 97/175/EC;

(4) Whereas in accordance with the provisions of Directive 64/432/EEC Member States or regions may be declared officially brucellosis-free if they meet the conditions of Annex AII(7) and they retain their status as long as the conditions of Annex AII(8) are fulfilled;

(5) Whereas Member States and regions officially free of bovine brucellosis are to report the occurrence of all cases of brucellosis to the Commission, which may propose a decision to suspend or revoke the status in accordance with the provisions of Annex AII(9) of that Directive;

(6) Whereas in accordance with Annex AII(7)(b) an identification system allowing the identification of herds of origin and transit for each bovine animal in accordance with Council Regulation (EC) No 820/97 ([5]) is a prerequisite for granting the officially free status for bovine brucellosis;
