COMMISSION DECISION

of 14 January 2000

on amending Decision 1999/246/EEC approving certain contingency plans for the control of classical swine fever

(Text with EEA relevance)

(2000/113/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 80/217/EEC of 22 January 1980 introducing Community measures for the control of classical swine fever [1], as last amended by Council Directive 93/384/EEC [2], and in particular Article 14b thereof,

Whereas:

(1) The criteria to be applied *mutatis mutandis* when drawing up contingency plan for the control of classical swine fever have been laid down in Commission Decision 91/42/EEC [3];

(2) Greece and Luxembourg have submitted for approval national contingency plans;

(3) After examination these plans fulfil the criteria laid down in Decision 91/42/EEC and permit the desired objective to be attained subject to an effective implementation;

(4) The Commission approved the contingency plans submitted by certain Member States with Decision 1999/246/EEC [4];

(5) Decision 1999/246/EEC must be amended to include the plans submitted by Greece and Luxembourg;

(6) The measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision 1999/246/EEC is replaced by the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 14 January 2000.
