THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1254/1999 of 17 May 1999 on the common organisation of the market in beef and veal [1], and in particular Article 38(2) thereof,

Whereas:

(1) Commission Regulation (EC) No 2777/2000 of 18 December 2000 adopting exceptional support measures for the beef market [2], as amended by Regulation (EC) No 111/2001 [3], provides in its Article 3(4) that a Member State may be authorised to stop the application of the purchase scheme concerned if it can prove that sufficient capacity is available for BSE testing of all animals above 30 months of age constituting a normal slaughter throughput.
