(2001/608/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Regulation (EC) No 1980/2000 of the European Parliament and of the Council of 17 July 2000 on a revised Community eco-label award scheme [1], and in particular Articles 4 and 6 thereof,

Whereas:

(1) Regulation (EC) No 1980/2000 provides for the award of an eco-label to a product possessing characteristics which enable it to contribute significantly to improvements in relation to key environmental aspects.

(2) According to Article 4 of Regulation (EC) No 1980/2000, specific eco-label criteria should be established according to product groups, and a review of the eco-label criteria as well as of the assessment and verification requirements related to the criteria should take place in due time before the end of the period of validity of the criteria specified for each product group, resulting in a proposal for prolongation, withdrawal or revision.

(3) By Decision 1999/10/EC [2] the Commission established ecological criteria for the award of the Community eco-label to paints and varnishes, which, according to Article 3 thereof, expire on 31 December 2001.

(4) Following the review, it is considered appropriate to prolong the period of validity of the definition of the product group and the ecological criteria, unchanged, for a period of 18 months, in particular to allow those companies that have been awarded the eco-label to continue using the eco-label at least until a revision of Decision 1999/10/EC is deemed necessary.

(5) The period of validity set out in Article 3 of Decision 1999/10/EC should therefore be extended.

(6) The measures set out in this Decision are in accordance with the opinion of the committee set up under Article 17 of Regulation (EC) No 1980/2000,

HAS ADOPTED THIS DECISION:
