THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 90/424/EEC of 26 June 1990 on expenditure in the veterinary field [1], as last amended by Regulation (EC) No 806/2003 of 14 April 2003 [2], and in particular Article 28(2) thereof,

Whereas:

(1) Community financial assistance should be granted to the Community reference laboratories designated to carry out the functions and duties laid down in the following Directives, Decisions and Regulation:

— Council Directive 92/46/EEC of 16 June 1992 laying down the health rules for the production and placing on the market of raw milk, heat-treated milk and milk-based products [3],

— Council Directive 92/117/EEC of 17 December 1992 concerning measures for protection against certain zoonoses and specified zoonotic agents in animals and products of animal origin in order to prevent outbreaks of food-borne infections and intoxications [4],

— Council Decision 93/383/EEC of 14 June 1993 on reference laboratories for the monitoring of marine biotoxins [5],

— Council Decision 1999/313/EC of 29 April 1999 on reference laboratories for monitoring bacteriological and viral contamination of bivalve molluscs [6],

— Regulation (EC) No 999/2001 of the European Parliament and of the Council of 22 May 2001 laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies [7].

(2) The financial contribution from the Community should be granted provided that the actions planned are efficiently carried out and that the authorities supply all the necessary information within the time limits laid down.

(3) Additional financial assistance should also be provided for the organisation of workshops in the area of responsibility of the Community reference laboratories; derogations to the maximum eligible attendance rule laid down by Commission Regulation (EC) No 156/2004 of 29 January 2004 on the Community's financial assistance to Community reference laboratories pursuant
