COMMISSION DECISION

of 14 October 2004

on the lists of programmes for the eradication and monitoring of animal diseases and of checks aimed at the prevention of zoonoses qualifying for a financial contribution from the Community in 2005

(notified under document number C(2004) 4010)

(2004/695/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 90/424/EEC of 26 June 1990 on expenditure in the veterinary field [1], and in particular Article 24(5) and Article 32 thereof,

Whereas:

(1) Certain Member States have submitted programmes to the Commission for the eradication and monitoring of animal diseases for which they wish to receive a financial contribution from the Community.

(2) Under Council Regulation (EC) No 1258/1999 of 17 May 1999 on the financing of the common agricultural policy [2], programmes for the eradication and monitoring of animal diseases are to be financed under the Guarantee Section of the European Agricultural Guidance and Guarantee Fund. For financial control purposes, Articles 8 and 9 of that Regulation are to apply.

(3) In drawing up the list of programmes for the eradication and monitoring of animal diseases qualifying for a financial contribution from the Community for 2005, and the proposed rate and amount of the contribution for each programme, both the interest of each programme for the Community and the volume of available appropriations must be taken into account.

(4) In drawing up the list of programmes of checks aimed at the prevention of zoonoses qualifying for a financial contribution from the Community for 2005, and the proposed rate and amount of the contribution for each programme, the interest of each programme for the Community, its compliance with the technical provisions of relevant Community veterinary legislation and the volume of available appropriations must be taken into account.

(5) The Commission has considered each of the programmes submitted from both the veterinary and the financial point of view and is satisfied that those programmes should be included in the lists of programmes qualifying for a financial contribution from the Community in 2005.

(6) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS DECISION:

Article 1

1. The programmes for the eradication and monitoring of animal diseases listed in Annex I shall qualify for a financial contribution from the Community in 2005.
