(2008/678/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Act of Accession of Bulgaria and Romania, and in particular Article 42 thereof,

Having regard to Council Directive 89/662/EEC of 11 December 1989 concerning veterinary checks in intra-Community trade with a view to the completion of the internal market [1], and in particular Article 9(4) thereof,

Whereas:

(1) Commission Decision 2007/716/EC of 30 October 2007 lays down transitional measures for structural requirements of certain establishments in the meat and milk sectors in Bulgaria provided for in Regulations (EC) No 852/2004 and (EC) No 853/2004 of the European Parliament and of the Council [2]. As long as those establishments are in transition, products originating from them should only be placed on the domestic market or used for further processing in Bulgarian establishments in transition.

(2) According to an official declaration from the Bulgarian competent authority, certain establishments in the meat and milk sectors have completed their upgrading process and are now in full compliance with Community legislation. Those establishments should therefore be deleted from the list of establishments in transition.

(4) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,
