COUNCIL DECISION

of 9 October 2014

on the position to be adopted on behalf of the European Union within the Stabilisation and Association Council established by the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, as regards the replacement of Protocol 3 to that Agreement, concerning the definition of the concept of 'originating products' and methods of administrative cooperation, by a new protocol which, as regards the rules of origin, refers to the Regional Convention on pan-Euro-Mediterranean preferential rules of origin

(2014/739/EU)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular the first subparagraph of Article 207(4) in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

(1) Protocol 3 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part [1] ('the Agreement'), concerns the definition of the concept of 'originating products' and methods of administrative cooperation ('Protocol 3').

(2) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin [2] ('the Convention') lays down provisions on the origin of goods traded under relevant Agreements concluded between the Contracting Parties. Serbia and other participants to the Stabilisation and Association Process from the Western Balkans were invited to join the system of pan-European diagonal cumulation of origin in the Thessaloniki agenda, endorsed by the European Council of June 2003. They were invited to join the Convention by a decision of the Euro-Mediterranean Ministerial Conference of October 2007.

(3) The Union and Serbia signed the Convention on 15 June 2011 and 12 November 2012, respectively.

(4) The Union and Serbia deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 1 July 2013, respectively. As a consequence, in application of Article 10(3) of the Convention, the Convention entered into force in relation to the Union and Serbia on 1 May 2012 and on 1 September 2013, respectively.

(5) Article 6 of the Convention provides that each Contracting Party is to take appropriate measures to ensure that the Convention is effectively applied. To that effect, the Stabilisation and Association Council established by the Agreement should adopt a decision replacing Protocol 3 by a new protocol which, with regard to the rules of origin, refers to the Convention.

(6) The position of the Union within the Stabilisation and Association Council should therefore be based on the attached draft decision,

DRAFT

DECISION No … OF THE EU-SERBIA STABILISATION AND ASSOCIATION COUNCIL

of

replacing Protocol 3 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation

THE EU-SERBIA STABILISATION AND ASSOCIATION COUNCIL,

Having regard to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, signed in Luxembourg on 29 April 2008 ([1]), and in particular Article 44 thereof,

Having regard to Protocol 3 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation,

Whereas:

(1) Article 44 of the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part ('the Agreement') refers to Protocol 3 concerning the definition of the concept of 'originating products' and methods of administrative cooperation ('Protocol 3'), which lays down the rules of origin and provides for cumulation of origin between the Union, Serbia, Turkey and any country or territory participating in the Union's Stabilisation and Association Process.

(2) Article 39 of Protocol 3 provides that the Stabilisation and Association Council established by Article 119 of the Agreement may decide to amend the provisions of that protocol.

(3) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin ([2]) ('the Convention') aims to replace the protocols on rules of origin currently in force among the countries of the pan-Euro-Mediterranean area with a single legal act. Serbia and other participants to the Stabilisation and Association Process from the Western Balkans were invited to join the system of pan-European diagonal cumulation of origin in the Thessaloniki agenda, endorsed by the European Council of June 2003. They were invited to join the Convention by a decision of the Euro-Mediterranean Ministerial Conference of October 2007.

(4) The Union and Serbia signed the Convention on 15 June 2011 and 12 November 2012, respectively.

(5) The Union and Serbia deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 1 July 2013, respectively. Consequently, in application of Article 10(3) of the Convention, the Convention entered into force in relation to the Union and Serbia on 1 May 2012 and on 1 September 2013, respectively.

(6) Where the transition towards the Convention is not simultaneous for all Contracting Parties within the cumulation zone, it should not lead to any less favourable situation than previously under Protocol 3.

(7) Protocol 3 should therefore be replaced by a new protocol making reference to the Convention,

HAS ADOPTED THIS DECISION:

Article 1

Protocol 3 to Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Serbia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation is replaced by the text set out in the Annex to this Decision.

However, as of the moment of withdrawal, the rules of origin contained in Appendix I and, where appropriate, the relevant provisions of Appendix II to the Convention shall be construed so as to allow bilateral cumulation between the European Union and Serbia only.

Article 5

Transitional provisions — cumulation

1. Notwithstanding Article 3 of Appendix I to the Convention, the rules on cumulation provided for in Articles 3 and 4 of Protocol 3 to this Agreement, as adopted by the European Union and Serbia on concluding the Agreement [2], shall continue to apply between the Parties to this Agreement until the Convention has become applicable for all Contracting Parties to the Convention listed in those Articles.

2. Notwithstanding Articles 16(5) and 21(3) of Appendix I to the Convention, where cumulation involves only EFTA States, the Faroe Islands, the European Union, Turkey and the participants in the Stabilisation and Association Process, the proof of origin may be a movement certificate EUR.1 or an origin declaration.
