25.7.68 Official Journal of the European Communities No L 179/1

REGULATION (EEC) No 1051/68 OF THE COUNCIL

of 23 July 1968

amending Regulations Nos 134/67/EEC and 137/67/EEC as regards sluice-gate prices and the system of 'pilot products and derived products' for pigmeat

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC[1] of 13 June 1967 on the common organisation of the market in pigmeat, and in particular Article 13 (4) thereof;

Having regard to the proposal from the Commission;

Whereas the list of products in Article 1 of Regulation No 121/67/EEC was amended by Council Regulation (EEC) No 830/68[2] of 28 June 1968 amending Regulations Nos 120/67/EEC, 122/67/EEC, 122/67/EEC and 359/67/EEC on the common organisation of the markets in cereals, pigmeat, eggs and rice; whereas, therefore, Article 1 of Council Regulation No 134/67/EEC[3] of 13 June 1967 establishing the list of products for which sluice-gate prices are fixed and adopting the rules for fixing the sluice-gate price for pig carcases must be amended; whereas the same must be done as regards the Annexes to Council Regulation No 137/67/EEC[4] of 13 June 1967 laying down general rules for the system of 'pilot products and derived products' allowing additional amounts to be fixed for pigmeat, as amended by Regulation No 173/67/EEC[5]; whereas the fixing of an additional amount for a derived product in strict accordance with Article 2 (2) of Regulation No 137/67/EEC does not always correspond to current offer prices for the pilot product and the derived product; whereas to that end a more suitable procedure should be laid down for fixing the additional amount for the derived product;

HAS ADOPTED THIS REGULATION:
