REGULATION (EEC) No 1060/69 OF THE COUNCIL

of 28 May 1969

fixing the quantities of basic products considered to have been used in the manufacture of the goods covered by Regulation (EEC) No 1059/69

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1059/69[1] of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, and in particular Article 4 (1) and the second subparagraph of Article 6 (3) thereof;

Having regard to the proposal from the Commission;

Whereas, in accordance with Article 4 (1) of Regulation (EEC) No 1059/69, the Council acting by a qualified majority on a proposal from the Commission, must determine in respect of all goods covered by that Regulation the type and characteristics of the basic products which must be used when calculating the variable component to be applied to those goods and the quantity of each of these basic products considered to have been used in their manufacture;

Whereas, in accordance with the second subparagraph of Article 6 (3) of Regulation (EEC) No 1059/69, the Council must determine by the same procedure the goods in respect of which the variable component must be calculated on the basis of the price resulting from the grant of a production refund or an aid for basic or assimilated products instead of the average threshold price referred to in Article 6 (2) (a) of that Regulation;

Whereas, pursuant to Article 11 (1) (a) of Council Regulation No 120/67/EEC[2] of 13 June 1967 on the common organisation of the market in cereals, a production refund is granted for maize and common wheat used by the starch industry for the manufacture of starch and quellmehl; whereas, pursuant to Article 9 (1) (a) of Council Regulation No 359/67/EEC[3] of 25 July 1967 on the common organisation of the market in rice, a production refund is granted for broken rice used by the starch industry for the manufacture of starch and quellmehl; whereas, pursuant to Article 9 (6) of Council Regulation No 1009/67/EEC[4] of 18 December 1967 on the common organisation of the market in sugar, a production refund is granted for sugars used in the manufacture of certain products of the chemical industry;

Whereas, when goods in respect of which the variable component must be calculated on the basis of the price resulting from the grant of such refunds are being determined, the technical conditions under which they are manufactured must be taken into account;

HAS ADOPTED THIS REGULATION:

Article 1
