12.7.69 Official Journal of the European Communities No L 171/11

REGULATION (EEC) No 1339/69 OF THE COMMISSION

of 11 July 1969

amending Regulation (EEC) No 210/69 on communication between Member States and the Commission with regard to milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 804/68[1] of 27 June 1968 on the common organisation of the market in milk and milk products, and in particular Article 28 thereof;

Whereas Council Regulation (EEC) No 210/69[2] of 31 January 1968 on communications between Member States and the Commission with regard to milk and milk products provides for fortnightly returns on stocks of products which have been the subject of intervention under Article 6 (1) and (2) and Article 8 (1) and (3) of Regulation (EEC) No 804/68; whereas it seems possible to make do with monthly returns;

Whereas, moreover, Regulation (EEC) No 210/69 makes no provision for information on imports; whereas, for the purpose of assessing the situation on the market in milk and milk products, the Commission requires regular information on imports, in particular for the most important of these products; whereas Regulation (EEC) No 210/69 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products;

HAS ADOPTED THIS REGULATION:
