REGULATION (EEC) No 1460/70 OF THE COMMISSION

of 23 July 1970

on applying the additional class to table grapes

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 158/66/EEC[1] of 25 October 1966 on applying the common quality standards to fruit and vegetables marketed within the Community, as last amended by Regulation (EEC) No 2516/69,[2] and in particular Article 2 (2) thereof;

Whereas Council Regulation No 211/66/EEC[3] of 14 December 1966 added an additional class to the common quality standards for table grapes;

Whereas pursuant to Article 2 (2) of Regulation No 158/66/EEC additional classes may be applied only if the corresponding products are necessary to cover consumption needs; whereas this need arises at present for table grapes; whereas, in view of the considerable fluctuations in production from one marketing year to another, the period of application of the additional class should be limited;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Fruit and Vegetables;

HAS ADOPTED THIS REGULATION:
