No L 67/12 Official Journal of the European Communities 24.3.70

REGULATION (EEC) No 538/70 OF THE COMMISSION

of 23 March 1970

amending Regulation (EEC) No 315/68 as regards the size of anemone coronaria

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 234/68[1] of 27 February 1968 on the establishment of a common organisation of the market in live trees and other plants, bulbs, roots and the like, cut flowers and ornamental foliage, and in particular Article 4 thereof;

Whereas experiments by an experimental station have shown that under present production techniques good quality anemone coronaria can be obtained from tubers of a size smaller than that provided for by the common quality standards; whereas, therefore, those standards should be adjusted;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Live Plants;

HAS ADOPTED THIS REGULATION:

Article 1

In the Table appearing in Section III of the Annex to Regulation (EEC) No 315/68, as last amended by Regulation (EEC) No 448/69,[2] the text in the Annex to this Regulation shall be substituted for the text referring to 'anemone coronaria'.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 March 1970.

For the Commission

The President

Jean REY
