REGULATION (EEC) No 600/70 OF THE COMMISSION

of 31 March 1970

laying down detailed rules for the application of Council Regulation (EEC) No 580/70 amending the system of premiums for slaughtering cows

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty setting up the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68[1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 2463/69[2];

Having regard to Council Regulation (EEC) No 580/70[3] of 26 March 1970 amending the system of premiums for slaughtering cows, and in particular Article 2 thereof;

Whereas Article 1 of Regulation (EEC) No 580/70 provides that, by way of derogation from the provisions of Article 2 (b) of Council Regulation (EEC) No 1975/69[4] of 6 October 1969 introducing a system of premiums for slaughtering cows and for withholding milk and milk products from the market, the slaughtering of dairy cows in calf on 30 April 1970 may be carried out up to 30 June 1970; whereas it is therefore necessary in the case of these cows to adjust the slaughtering period provided for in Article 7 of Commission Regulation (EEC) No 2195/69[5] of 4 November 1969 laying down detailed rules for the application of the system of premiums for slaughtering cows and for withholding milk and milk products from the market, as amended by Regulation (EEC) No 2550/69[6];

Whereas the above derogation must not prevent the period fixed in Article 5 (2) (c) (aa) of Regulation (EEC) No 2195/69 from beginning on the date intended; whereas it is therefore necessary to lay down that that period should begin not later than 1 May 1970;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

By way of derogation from the provisions of Article 7 of Regulation (EEC) No 2195/69, the slaughtering period for dairy cows calving between 1 April and 31 May 1970 shall end 30 days after the date of calving.

Article 2

For the application of Article 1 and by way of derogation from Article 5 (2) (c) (aa) of Regulation (EEC) No 2195/69, the five-year period shall begin from the day of the slaughtering of the last dairy cow or on 1 May 1970 whichever is the earlier.

Article 3

This Regulation shall enter into force on 1 April 1970.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 31 March 1970.

For the Commission

The President

Jean REY
