12.5.70 Official Journal of the European Communities No L 102/7

REGULATION (EEC) No 849/70 OF THE COMMISSION

of 11 May 1970

amending Regulations (EEC) Nos 1403/69 and 1404/69 as regards the denaturing of common wheat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC[1] of 13 June 1967 on the common organisation of the market in cereals, as last amended by Regulation (EEC) No 2463/69,[2] and in particular Article 7 (5) thereof;

Whereas Article 4 of Council Regulation No 172/67/EEC[3] of 27 June 1967 on general rules governing the denaturing of wheat and rye of breadmaking quality, as last amended by Regulation (EEC) No 2096/68,[4] provides that the denaturing premium shall be fixed before the beginning of and for the duration of each marketing year; whereas the premium may, however, be altered where the Community market in cereals is likely to be disturbed;

Whereas present circumstances in the market in cereals of breadmaking quality, and in particular the satisfactory progress made in the disposal of surpluses of common wheat of a high specific weight, may disturb the market in that cereal where denaturing is still encouraged;

Whereas Article 4 (2) of Commission Regulation (EEC) No 1403/69[5] of 18 July 1969 laying down detailed rules for the application of the provisions concerning denaturing of common wheat and rye of breadmaking quality provides for an increase in the denaturing premium for common wheat with a specific weight exceeding 77 kg/hl; whereas this provision should be revoked;

Whereas therefore the title of Table B in the Annex to Commission Regulation (EEC) No 1404/69[6] of 18 July 1969 fixing the denaturing premium for common wheat for the 1969/70 marketing year should be amended;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals;

HAS ADOPTED THIS REGULATION:

Article 1

Article 4 (2) of Regulation (EEC) No 1403/69 and Annex II to that Regulation shall be deleted with effect from 1 June 1970.

Article 2

The following shall be substituted for the title of Table B in the Annex to Regulation (EEC) No 1404/69:

'Amount of the increases to be applied to the denaturing premium from 1 August 1969 to 31 May 1970.'

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*
