No L 117/14 Official Journal of the European Communities 29.5.71

REGULATION (EEC) No 1107/71 OF THE COMMISSION

of 28 May 1971

amending the Annex to Regulation (EEC) No 698/71 fixing standard values for fishery products withdrawn from the market and used in calculating financial compensation

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2142/70[1] of 20 October 1970 on the common organisation of the market in fishery products, and in particular Article 10 (5) thereof;

Whereas standard values for fishery products withdrawn from the market and used in calculating financial compensation were fixed by Commission Regulation (EEC) No 698/71[2] of 31 March 1971, taking into account the average receipts which may be obtained by disposing of these products.

Whereas it is noted that shrimps of the genus *Crangon* sp. p. withdrawn from the market and intended, after breaking up the dried product or processing into meal, for purposes other than human consumption, are disposed of at prices differing appreciably from the average taken into account for fishery products other than herring and mackerel; whereas Regulation (EEC) No 698/71 should therefore be supplemented by the inclusion of the amount of standard value to be taken as a basis of calculation for these shrimps;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committtee for fishery products;

HAS ADOPTED THIS REGULATION:

Article 1

The following shall be substituted for the Annex to Commission Regulation (EEC) No 698/71:
